TREK2 REBOOT

Welcome to the annual 2023 Computer Alliance Trek2Reboot, proudly supporting Trek2Health.org.au – a Team oriented Trek that will take place on Sunday 19th of November 2023 and will follow the current COVID-19 safety Guidelines.

Computer Alliance's Trek2Reboot event will be hosted at the Trek2Health Event Village - a beautiful 1890's Queenslander situated at The Gap right on the doorstep of the Enoggera Reservoir. Event registrations will open at 0730 for the 8.5km hill circuit which starts at 0800 and the registration for the 5.0km hill loop opens at 0830 and starts at 0900. Participants will be provided with Fruit, real coffee/live music and water upon arrival at the Computer Alliance Trek2Reboot Event Village. Once participants have completed their Trek, they will be rewarded with a BBQ and cold drink upon their return to the Event Village. When participants arrive at Registration, they will receive an entry bib and facemask Bandana and your Team can commence their journey at either 0800 or 0900 after safety briefing. The winners of our fundraising prizes and raffle prize draw will be announced at 1030 after the completion of the trek event. There is ample public car parking available within the area, it is a short 50 metre walk to the Computer Alliance Trek2Reboot Event Village. Check out parking map in this booklet.

The Trek2Reboot consists of an 8.5km hill circuit and a 5.5km hill loop walk on wide fire trails, around the picturesque Enoggera Reservoir and will take approximately 2 hours for the 8.5km and 1 hour for the 5.0km loop. These outstanding Treks offer a few short, sharp hills along the way that may test you, but the Trek delivers some of Brisbane's best bush landscape and lake views. The event will also have Support Staff – who

have operated in these D'Aguilar ranges for over 16 years - to offer their support at several stations throughout the Trek, should you need water or support. Participants can still request support between these stations though, as we will have a team of Medical professionals roaming the route in 4x4 vehicles.

ABOUT OUR CAUSE

Trek2Health is an organisation founded with a single, noble objective - provide ongoing support to First Responders and Emergency Services personnel such as firefighters, EMTs, and police officers in our communities. Trek2Reboot is open to all Computer Alliance Staff, their families and friends, Clients and Suppliers and welcome any and all support that will help these community heroes. This event is a great way to get in touch with nature, get some exercise and support a great cause. Trek2Reboot 2023, Sunday 19th of November will follow any of the current COVID-19 safety Guidelines.

THE SCIENCE BEHIND GREEN EXERCISE

From an evolutionary perspective, we are hard wired to operate in nature, not live a sedentary lifestyle under artificial lights, working long work hours in front of a glaring screen. Exercising in nature acts as a counter measure to the irritation and chronic stress provoked by the modern, urban lifestyle. We all know that exercising outdoors is good for us, but its benefits for mental health are more far reaching than you may realise. Research has shown how green exercise significantly "increased self-esteem and improved mood such as a reduction in anger." The presence of water in the environment was especially beneficial. Click here to learn more.

COMPUTER ALLIANCE TREK2REBOOT 2023

is a community event for raising awareness about mental health and showing support for the health and wellness of our local frontline workers and veterans. This event is a great way to get in touch with nature, get some exercise and support a great cause.

*ENTRY PRICE:

Computer Alliance Trek2Reboot is a fundraising event with fundraising goals, make sure you reach your targets for some great prizes and raffles, an entry fee of \$50.00 for each participant. Funds raised for this event support Trek2Health, an organisation founded to support the physical and mental health of our local frontline workers and veterans in a stigma-free environment.

FAQS

CAN I MAKE MY OWN WAY TO THE START POINT?

Yes, public transport is available nearby (bus route 385, embark at the final stop: The Gap park 'n' ride, Enoggera Reservoir) and there is ample public car parking available within the area, a short 50 metre walk to the Event Village.

CAN CHILDREN UNDERTAKE THE TREK?

This event is being conducted in remote areas, through terrain that is rough, steep and sometimes with no or limited vehicle access. Therefore, only children aged 16+ can participate and must be accompanied by an adult.

DO I HAVE TO FUNDRAISE?

Computer Alliance Trek2Reboot is a community fundraising event with fundraising goals, after you register set up your fund-raising page. There are great rewards available for top fundraisers, including Official Trek2Health T-Shirts at a target of \$250.00, Official Trek2Health Jackets at a target of \$250.00, Official Trek2Health full kit at a target of \$1000.00. When you register select your fund raising target and your fundraising page will automatically generate your personalised page – this makes asking for and receiving donations easy. And feel free to email Trek2Health at support@trek2health.org.au to discuss your fundraising ideas, Trek2Health are here to help!

WHAT IF I NEED HELP WHILST TREKKING?

If you need medical assistance, to reduce the distance you walk, you can speak to one of the medics and/ or support vehicle crew who will assist you. This can be arranged by calling 0401 713 039.

WHAT/HOW MUCH FOOD/WATER SHOULD I BRING ON THE TREK?

You will need 1 litre of water at the commencement of the trek. There will be mobile car drink stations at all times, all support vehicles will carry water. Participants will need to have enough snacks for this two hour walk. Please note we will have fresh fruit available prior to the trek.

WHAT HAPPENS IF I REGISTER BUT THEN CANNOT PARTICIPATE?

We do not refund registration fees or any money raised for Trek2Health, however if a trekker is unable to participate they may transfer their registration (but not fundraising) to another person by notifying Trek2Health in writing 3 days prior to commencement of the trek.

DO I NEED INSURANCE?

While we undertake all measures possible to ensure your safety, but you are responsible for your own health and wellbeing in the lead up to and during the event. Make sure you have the relevant health insurance and ambulance cover.

SAFETY

1. Use your personal discretion in the event of injury or emergency as to which of the following recommended procedures to use: - If the injury or emergency is considered life threatening ring 000. State your name and that you are participating in the COMPUTER ALLIANCE TREK2REBOOT TREK - If the injury or emergency is not considered life threatening alert the nearest Medic or Trek Leader or, if they are not in close proximity call 0401 713 039 or 0414 311 972, and inform them of the situation.
2. Teams are responsible for both their own and their team's behaviour. Contravention of any checkpoint property owner's regulations may lead to the team's withdrawal for the trek.
3. Teams must carry mobile phones, preferably on two different networks. It is highly recommended that one phone is connected to the Telstra Network. All phone numbers in use must be provided to event organisers on registration.
4. Prescription medication and pain killers are your own responsibility. These cannot be issued by First Aid.
5. It is recommended to keep a rain poncho on hand depending on forecast weather.
6. BUSH FIRE Alert officials if you site a bush fire on 0401 713 039 or 0414 311 972. An emergency evacuation plan will be enacted by your trek leader and the support network. Follow event officials' instructions and remain at a checkpoint if advised to do so by officials. In the unlikely event that you are trapped, TREK2HEALTH LTD will call emergency services on 000 or 112 from a mobile; attempt to find a safe position in water, away from trees (in clear ground), in low ground or dig a trench, cover your mouth and nose with a wet piece of clothing.

DRSABCD action plan

In an emergency call **triple zero (000)** for an ambulance

D DANGER

Ensure the area is safe for yourself, others and the patient.

TERMS & CONDITIONS

TREK2HEALTH LTD are the event organisers of TREK2HEALTH COMMUNITY TREK SERIES. If we deem the route unsafe (due to but not limited to heavy rain, lightning, high winds, bushfire or 'acts of god') we may, at our sole discretion, re-route The TREK2HEALTH COMMUNITY TREK SERIES, find an alternative shortened course, or cancel the event. If the event is cancelled, re-routed or shortened, no refund of registration fees, fundraising monies or transfer to another TREK2HEALTH COMMUNITY TREK SERIES event will be made. Due to the nature of our events and the months of preparation involved, the event will not be re-scheduled to any other weekend. We also reserve the right to change the route or checkpoint locations or distances as necessary. Any changes will be communicated to participants prior to the event.

1. All team members must be aged 18 or above unless approved by the organiser in advance in writing and will only be so approved where a parent or guardian has signed the appropriate form(s). The minimum age for students participating in the event is 16 years of age and they must be accompanied by an adult for the entirety of the course or where multiple adults are involved for each leg. Where necessary adults accompanying minors must be Blue Card certified.

2. At the start of the event, any team(s) must have a minimum of two members with a maximum of six members

3. Teams must register and check in during their allocated check in period (refer to the Critical Times on the first page). Please note that the buses are unable to wait for late arrivals.

4. There is one major checkpoint throughout the course excluding the start and finish points (excluding 12km trek). All trek groups must remain together between checkpoints. All participants must check in and check out as a group at each checkpoint. Checkpoint staff will not check in or check out a team until all members are accounted for.

5. Do not drop litter on the ground. Please respect the environment and carry out all your rubbish or discard at

any bins provided. (This includes cigarette butts. Do not leave butts in tall grass or other flammable materials.) Anyone observed littering will be removed immediately from the event.

6. Under no circumstances are any participants to be left unattended. If a participant is seriously injured and cannot be moved, one person must remain with them while another participant alerts the accompanying medical personnel. At all times an TREK2HEALTH LTD Event Medic should be no further than 500 metres away.

7. If you want to withdraw during the event, you must first report to the mobile Trek Group Leader or mobile Trek Group Medic who will sign you out. You will then hop into a transport vehicle and dropped off at finish line. at which time you will have your entry bib code recorded as having left the event.

8. If you do not notify event organisers of your intention to leave a checkpoint prior to doing so, this will result in an emergency services response. This can waste valuable resources, which may be required elsewhere and for which you may be held financially accountable.

9. Identification (ie Bibs) must be worn at all times during the event.

10. A team must notify TREK2HEALTH LTD organisers of any change of team members via email. No substitutions will be allowed once the event starts. Any team found to be substituting without prior notification or during the event will be withdrawn.

11. If, in the opinion of medical personnel, a team member is unable to continue for medical reasons the event organisers reserve the right to remove that member from the event.

12. Every participant must have completed their training, so they are fit enough to complete their chosen distance.

13. All participants must read the Trekkers Handbook and be fully prepared on the morning of the event to commence trek with all equipment and provisions.
